November 23, 2017

George Robertson, a loving husband and father to Anni and Gilchrist, joined the Unification Church in 1972 in Scotland. He has been a pioneer, a missionary, a lecturer, a Sunday School teacher in later years, he was a man of all seasons. We are all blessed to have had him in our life. In 1986 he was diagnosed with MS and as his condition deteriorated, he had to use a wheelchair for the last 27 years.

George, born on 4th April 1952, peacefully ascended into the Spirit World on 17th November surrounded by his family and friends.

May our Heavenly Father receive him in His loving care.
