

Dr. Kwang-kee Sa visits Madrid

Madrid, Spain, 25. – 27. June 2014

Coming from Portugal, Dr Kwang-kee Sa, special emissary for Europe arrived in Madrid, Spain on Wednesday afternoon June 25th.

After a short visit to our center in Madrid “Espacio Ronda”, we went walking to a restaurant to have dinner in the centre of Madrid.

On the next day Thursday morning, we organized a visit to our Tongil Company where he could see the development made during the last years, and then drove him to our training center.

We had lunch on the way back to Madrid. In the afternoon we had a general meeting for our Madrid community. He explained us his understanding of the mission of Special Emissary and our responsibility of Tribal Messiah in this era after Father’s Seung Hwa. Completed Testament Age is age of Heart, how important it is to create a

“community of heart” He shared deeply about his own experience and lessons we can learn from the Bible especially from Jacob’s family.

On the next day we had a board meeting with him and the different department leaders, including 2nd gen., a sincere and deep sharing of how we can grow in our families and in our community, practice true love and serve our nation. We then shared the lunch together. He then took time to listen some couple who wanted to share with him more personally. He departed on Saturday early morning to Paris.

We are deeply grateful to True Mother for his visit, and we can feel his strong desire to help us to understand True Parent’s heart and to make Cheon Il Guk a reality in our lives, in our community.
