NEW ASSIGNMENTS
FOR VETERAN
MFT'ers

Our recognition and appreciation go to the following members who have worked diligently on the MFT for many months. We send our prayers and best wishes to them as they begin new assignments:

Fred Goble	Minneapolis, Minnesota
Paula Grey	Las Vegas, Nevada
Mary Ann Viscardi	Dallas, Texas
Richard Copeland	Washington, D. C.
Peter Hintz	Denver, Colorado

THE RISING TIDE

To simplify mailing, FLF is sending all copies of "The Rising Tide" for a given state to the SR in that state. The SR should distribute and forward copies of the "Tide" to center members and satellite center members. This policy will continue until the satellite has ten or more members. Then a separate mailing will be made to that satellite.

UNIFICATION CHURCH

A new paperback published by "U.S. News and World Report" entitled The Religious Reawakening in America devotes several pages to the Unification Church (pp. 75-78). The pages describing the Church appear in the section on Eastern religions, unfortunately. The information is essentially accurate (it includes several quotations from Miss Kim) but does not convey a Christian image.

FINANCIAL
REPORT FORMS

Financial forms have been sent to all satellite centers. Directors of these centers should consult their SR's for further instructions regarding their completion. They should be sent in with the monthly report before the 10th of the month.

MU BIMONTHLY
REPORTS

Report forms have been sent to all MU Commanders. They should be completed every two weeks (one copy for Mr. Kim, one for Headquarters). Please let us know if you have not received your forms.

CENTER MONTHLY
REPORT FORMS

Please be sure to include a list of members with each report that you send in. Otherwise it is impossible to provide Our **Leader** with accurate information which he needs and expects. Last week, for example, we received verbal reports of the number of members in two different centers. In both cases the center had over twice as many members as the number listed at Headquarters for that center.

PublicationsDIVINE PRINCIPLE
STUDY GUIDES

This week 5,000 more copies of the Divine Principle Study Guide will be printed. As before, half of this number will be punched for looseleaf binders (\$1.50 each) and the rest will be done in Velo-binding (\$2.00 each).

WITNESSING
MATERIAL

Enclosed with this Newsletter* are two new flyers which may be ordered from the Publications Department: "Where Are We Going?" and a One World Crusade flyer originally developed by New York Center which should be useful for fund-raising. We will continue to produce new witnessing and fund-raising literature as regularly as possible. Samples will be sent to you with the Directors' Newsletter as new flyers become available.

Special EventsTRAINING PROGRAM
FOR BRITISH

On July 18, 118 students from over 20 universities in England, Scotland, and Ireland arrived at Belvedere. During the first week of the program the Divine Principle lectures were presented and were, not surprisingly, very controversial. During the second week, Mr. Joe Tully lectured on Unification Thought. Several lectures based on Dr. Lee's "Communism, A New Critique" were also given. A number of guest speakers also appeared on the program, including Nobel Prize winner Dr. John Eccles; General Knowlton, West Point; Mr. Takeshi Furuta, IFVC; and several professors from Harvard, Princeton, Columbia and Yale.

On August 5th the students came to Washington, D.C. for the FLF banquet, sight-seeing, and further study of the Divine Principle. During their stay in Washington, they were located at Sandy Spring Friends School where our training program was conducted last year.

FLF 4TH ANNIVERSARY
CELEBRATION

On Sunday, August 5, an estimated 300 members and friends attended the 4th Anniversary Celebration at the Washington Hilton Hotel. Mr. David Kim, Miss Kim, Mr. & Mrs. Dennis Orme, Mr. Michael Warder, Mr. Takeshi Furuta, and approximately 100 British students from the British program were among those who attended. Dignitaries included the Ambassadors of Cambodia and Viet Nam, and Congressman Ichord (Missouri) who gave the main address. A more complete account of the event will appear in "The Rising Tide."

*To be distributed at the Directors' Conference.

News From The Field

CONGRATULATIONS

Mr. & Mrs. Farley Jones are the proud parents of a son, Matthew Farley, born on July 15th. Congratulations Farley and Betsy!

MFT NEWS

The MFT's are now up to full strength with 12 members on each of the three teams. Joachim Baum, veteran German fund-raiser, is now leader of MFT #2 in Chicago. Kevin Kelley's MFT #1 is in Toledo, Ohio and Randy Berndt's team is in Buffalo, New York.

Their results are continually soaring with records being broken every week. Denise Schnepps pulled in \$1,347.00 last week, while Libby Mitchell recently made a new week's high of \$1,437.00. Randy Berndt's team averaged \$795 per person for a week. Good work heavenly fund-raisers!

CAMPING ANYONE?

Perhaps inspired by our MFT-ers, Randy Rimmel, SR, and Dan Stein, OWC Cdr., West Virginia, and their members are living in two tents on a West Virginia campground while they raise the downpayment for a house!
