The Guardian of Nabileque Holy Ground

OH304SA - the boat that was originally used by True Parents in their activities in the '90s in South America had been abandoned and deteriorated - It has now been restored like new!

Do you know the story of Nabileque? It is one of the most important Holy Grounds for the Family Federation for World Peace and Unification movement.

“For Korea and Japan, the Pantanal is at the other end of the pole. The Pantanal is at the end of the earth. But the Original Holy Ground, Root Holy Ground, and Holy Ground of Victory can all be found there. This is something tremendous. The Original Holy Ground is set up in our hotel in the Pantanal. (Rev. Sun Myung Moon 304-110, 1999.9.10)”

- **The Hotel Americano in Nabileque** is the "Original Holy Ground" located in Mato Grosso do Sul, Brazil (On Google Map: [Hotel Americano](#))
- **The story** of what happened at this historical place is told by Mr. Peter Paulo Alves Pinheiro, who was the main witness of the historical meeting of God, True Father, and Lucifer on May 14th, 1999 in room 14 of the Hotel Americano in Nabileque and of the events at Salobra that led to this meeting. He was tasked by True Father to become the protector of this land.

The **One Hope 304SA Good Go** cabin boat is one of the six boats True Father brought from North America to South American in 1997. This boat played an important role in the Providence of North and South America Unification, and according to Mr. Pinheiro, it symbolized the heavenly luck that arrived in South America from the North.

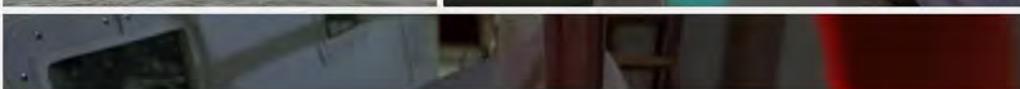

Thanks to many donors from Japan and USA (through [Gofundme](#)), the repair project for this boat, long-abandoned until now, has been finally completed! The Acuamundo technicians did an amazing job. Look at the transformation!

What it looks like now:

[Mr. Peter Paulo Alves](#), at the greeting he gave during the Dedication Ceremony (for the Second Boat Factory, 10/14/2021, Acuamundo, Paraguay), showed his renewed determination, saying, "I will protect the Nabileque Holy Ground using this boat!"

Thank you so much to the Acuamundo team, and again, to all the donors 🙏🙏🙏
