Mr. Yuji Otomo will visit the USA at the invitation of our National President and the Blessed Family Department. He will be in Los Angeles from July 22-26, New York from July 28-August 4, and Chicago from August 5-8. Mr. Otomo is a clinical psychologist and lecturer at Komozawa Women's University, and a counselor and teacher for the Blessed Family Department in Japan. He runs a school for Blessed Children in Japan and works at the International Family Center for the Blessed Family Department in Korea. Many of the materials being used for the new, nationwide Japanese Family Circle were developed by Mr. Otomo. He produced a series of videos on parenting and child development at each age, as well as "Pastoral Counseling in the Completed Testament Age," and more. He specializes in counseling survivors of kidnapping and deprogramming in Japan.

Mr. Otomo will present a National Training Seminar on Pastoral Counseling and Professional Interventions July 31-August 1 at the Lovin' Life Learning Center in New York (4 W. 43<sup>rd</sup> St.). He will be in Los Angeles from July 23-26, in New York from July 28-August 1, in New Jersey August 3-4, and in Chicago from August 5-8. In each of these local areas, where the largest numbers of our Japanese members reside, Mr. Otomo will present brief seminars, meet with BFD and Kodan representatives, and offer personal counseling for Japanese members and couples. For more information and a detailed schedule in each location, contact your district BFD or Kodan there. We encourage church and community leaders, and members from districts across the country to participate in one of the main cities if you can. Contact your

We are deeply moved and grateful for Pastor In Jin Moon's great love and concern for our Japanese community, both here in America and in Japan itself. Mrs. Stephens has taken In Jin Nim's concern to her heart, and has invested herself in developing a strong ministry and support system for our Japanese members and international families. We encourage our members, pastors and communities to take advantage of this exciting tour of Mr. Otomo, the Japanese Family Circle ministry, and the expanding work of the Blessed Family Department.
