Dear District and Lovin' Life Pastors,

We would like to invite all Church, State, District and Lovin' Life Pastors to join us for the **2nd Pastors Training Webinar** on the new matching and Blessing process. It will be held **Wednesday, December 21st at 9:30 PM EST (6:30 PM PST)**. Exciting and important developments have taken place in the standards and processes for the matching and Blessing of First Generation Unificationists, based upon new international guidelines. These include an updated application procedure, an improved and detailed purity interview for candidates, and a healthier matching process guided by trained advisors. It is vital that our church pastors understand these developments, yet the majority of our leadership is unaware of these, and unfamiliar with the many resources available from the Blessed Family Ministry.

In addition, we are about to launch "**BlessedLIFE**," a comprehensive education and support system for Blessed Families, as a part of Lovin' Life, in the new year. We want to introduce this ministry to you as well. Please forward this announcement to all pastors in your community, state and district, and be sure that everyone pastoring Unification Church members and families participates in this **90-minute training**. It will include 60-70 minutes of information and training and information, and 20-30 minutes for Q & A and discussion. A webinar invitation will follow shortly. As always, participants should have a computer with microphone and speakers (headset is best), and online access.

We look forward to meeting with our church leadership next Wednesday night, December 21, 2011.
Sincerely,

Rev. Joshua Cotter
