Sebastian & Mereth Huemer from USA have just informed me about this and asked to forward this message to you:

I am sorry to announce that Dr. Dietrich Seidel, professor at Unification Theological Seminary in Barrytown for a number of years, and long-time resident of Red Hook, passed yesterday in San Diego with his family by his side.

He had been suffering from leukemia for some time.

There will be a service at Red Hook / Barrytown Church Cemetery.

A fuller announcement with biography will come shortly.

Gavin Hamnett (Pastor at Mid-Hudson Valley Family Church)

By the way, we want to thank everyone for their prayers and support in the last few weeks. Please continue to be a successful ascension and Seunghwa.

Bless you all.

Sebastian & Mereth Huemer
