

## **Manhattan Family Church: Metro Service 10/01 Preparation Announcement**

Good morning Blessing Families,

I'm excitedly writing to you about this Sunday 11am Metro Service at the New Yorker Hotel. In light of Rev. Dunkley's message to make the Sunday morning experience more engaging, and our theme of 'Magnifying our Mission' we're going to do something special this Sunday. Let me explain what the format will be and how to prepare.

### **The format:**

We will continue to hold the tradition of song and prayers, but instead of a sermon we will have an experience more like a conference/convention of ministry leaders and active participants of those ministries.

1. I will briefly present on / promote all of the current ministries.
2. I will announce several breakouts facilitated by the ministry leaders from which you and all the attendees can choose from. There you can have more give and take with the ministry leaders to learn more about those ministries and how to get involved and/or support them.
3. After the closing song you will be able to stop by the ministry tables where the ministry leaders will be to continue to discuss your possible involvement/support in the ministry.

### **How to prepare:**

Here's how you can prepare for this Sunday.

1. Take a look at the list of ministries below to see which ministries you are particularly interested in learning more about so you'll have an easier time deciding which breakout to join.
2. Prepare a wad of small bills so that you can give cash donations to the ministries of your choice. I promise you that even a \$1 donation to a ministry will be received with much enthusiasm. Many have not received a single dollar to date.

Thank you for reading and please enjoy your weekend!

Pastor Miilhan
