We are happy to announce the True Parents' 55th Holy Wedding Anniversary Fishing Tournament. The tournament will be held for eight days on the Hudson River and adjacent bays in the NY and NJ area. We welcome individuals and families, as well as church groups and clubs. Bring your friends and enjoy a picnic at the end of the fishing day.

This year marks the 41st anniversary of the Ocean Providence, a wide-ranging project established by Rev. Sun Myung Moon, that encompasses both ocean-based enterprises as well as ministries supporting the wise stewardship of the ocean and its resources. Rev. Moon started fishing in the US in 1973 on the Hudson River near Tarrytown.

The First Annual "True Parents' Holy Wedding Anniversary Fishing Tournament" was established in April of 2000 on the Hudson River and in August of 2000 in Alaska as an international tournament to be held each year in America.

NYS & NJS Fishing License

All participants must acquire both a New York State Recreational Marine Fishing License and a New Jersey State Recreational Marine Fishing License. (Both are free of charge.)

The New York State Saltwater Fishing Registry The registration process is cumbersome. In the process of registration, there is a page to select a type of license. Please choose “Marine Fishing” — there is no fee for a recreational saltwater fishing license for migratory fish (striped bass and others). Do not select other licenses which require fees.

The New Jersey Saltwater Recreational Registry Program

No one will be allowed to fish aboard an Ocean Church vessel without these licenses. No exceptions!

BOATING

Fishing is available with a qualified captain aboard an Ocean Church vessel for the following fee:

Adult: \$80 per person for one day fishing (6 hrs). Includes bait, rod and reel, and tackle rental.

Child (12 and under): \$60 per person per day.

To reserve your spot, please make a reservation by contacting Captain Takahashi

You may want to bring: food, drink, rain gear (if weather looks bad), medication (if necessary), and camera. It is colder on water than on land, so bring extra clothes.
