February 19, 2024

Dear Brothers and Sisters,

Our beloved sister, Janine Takahashi, ascended to the Spirit World on Sunday, February 4, 2024.

In the final chapter of Janine's extraordinary journey, she faced a brief yet intense battle with endometrial cancer, demonstrating unparalleled strength and resilience. Throughout this challenging period, Janine exemplified grace and courage, inspiring all who witnessed her unwavering spirit. Surrounded by the love and support of family and friends, she navigated the complexities of medical treatments with determination, displaying a remarkable sense of optimism even in the face of adversity. In this trying time, Janine continued to find joy in cherished moments, creating lasting memories that served as a testament to her unyielding spirit.

Let us join together to honor Janine for her exemplary service to our Heavenly Parent and True Parents. Let us offer our heartfelt support to her family, particularly to her son, Dylan (12 years old), at this important time, and offer our sincere prayers for her victorious transition to a new eternal life in the spiritual world. (A comprehensive biography will become available soon.)

To honor and celebrate the life of Janine Takahashi, we invite family and friends to join us at the Manhattan Center's Grand Ballroom on Sunday, February 25, from 3:00 pm to 5:00 pm. By this Memorial Service we may come to appreciate more her remarkable life and the legacy she leaves behind.
