

True Heavenly Parent's Day in the Bay Area

Kevin Thompson
February 8, 2016

A packed church attended Heavenly Parent's Day at the Bay Area Family Church to usher in the year of the monkey. Young and old had a spirit of hope and expectancy for a new year filled with joy and victory. Following pledge service and words by the pastor, young Unificationists hosted entertainment, the highlight of which was a magnificent piano piece by Bach from David Ching. A sumptuous Korean meal was served and a real family atmosphere prevailed.
