

Bay Area Family Church: CARP Make a Difference Day project in Hayward, CA

Kevin Thompson
October 26, 2019

Happy National Make a Difference Day!

Today CARP partnered with the city of Hayward and the Keep Hayward Clean and Green Task Force on an annual community service event to keep #HaywardBeautiful !! CARP members cleaned up Palma Ceia Park, Palma Ceia Elementary School, and the surrounding neighborhood!

Service projects are a great way to apply what we learned in Ignites, club meetings, and seminars! We are grateful to have had the opportunity to go out serve the wider community on this special day.

Thank you all that came out!
