Dear,

This weekend we have a rally of hope. I hope you can attend and support your mother on this Mother's Day weekend.

Thank you to all those who responded to my please for you to sign up yourself your family and your friends for the June 5 event. But those who are you have to do it I encourage you to do it ASAP.

This weekend is indeed Mother's Day weekend and a good time for us to honor the mothers in our lives. If you are not going out selling flowers this weekend I encourage you to come to church and let's worship together.

Blessings  
Pastor Thompson
