I came to understand that July 4<sup>th</sup> is an important celebration in America. This Sunday, after church service we will celebrate American Independence with a picnic outside the church in the parking lot.

This is our official return to church after the disruption of the past 15 months. I hope you can come to our regular church service at 10:00 and stay for the picnic afterwards. Please let Siew Lian know if you are coming so that we can prepare.

I just returned from rural Utah where I taught at District 12 youth camp. It was a wonderful camp with 2<sup>nd</sup> and 3<sup>rd</sup> generation and seeing them have deep experiences.

God Bless
