

Bay Area Family Church: North Garden, Alaska - True Parents spirit is here

Masako and I are in Kodiak for the installation of our new Pastors here. It is also the beginning of Ocean Challenge with many young people from our area attending.

At North Garden there is so much of True Parents spirit here. Also there is the spirit of the 43 Japanese sisters who made an incredible condition of heartistic investment and that was the foundation upon which True Parents were able to visit Kim I'll Sung and Also President Gorbachev in Russia. Those sisters are hero's of our movement.

The young people who are here are for Ocean Challenge are learning about the traditions of True Parents and they are carrying on the Ocean training. It is very inspiring.

Last week's July 4th BBQ at church was such a joyful time. Maybe because we haven't seen each other for so long it was extra special. This was the official reopening g of the church and we were happy to share this with so many guests. Thank you to hard work of Johannes Van Galen, SiewLian LeRoy and everyone who worked hard to make a great time.

So, the church is open. Let's get back to making our Heavenly Parents Holy Community. This Sunday Nick Buscovich will give the message. I hope you can attend service.

God Bless
