

Bay Area Family Church: Our young adult community leads Sunday Service

Kevin Thompson

October 15, 2021

Today Think Tank 2020 will be holding its next event in conjunction with Korea and Japan.

This is a huge step forward toward our efforts to bring unity in Korea.

Your support would be appreciated.

This Sunday our young adult community will take responsibility for the Sunday Service. Everything from the sermon, the music, the A/V and the refreshments will be taken on by our young people.

Please come along and support them.

Next week will be the Chung Pyung Great Works. Please see registration for this and sign up.

God Bless You
