Brothers and sisters,

Great news. Based on God's providence and True Parents victories, True Mother has invited us to receive special grace leading up to the next Blessing on May 7th. Many of our members have been stuck, waiting to receive this special grace which restores our position as Blessed members in front of God and True Parents. The exact details will be revealed very soon. In the meantime we can prepare for a 40 days prayer condition from March 26-May 4th.

More people are having incredible rebirth experiences at the 7-day workshop held in Cheon Shim Won in Las Vegas. True Mother gave True Parent's former home to be consecrated for the purpose of America's spiritual resurrection. Those who have attended are reporting incredible breakthroughs and victories in areas where they have been stuck for many years. The 7-day workshop will be held at the beginning of each month.

Details of the pilgrimage tour to Korea for the opening of the Cheon Won Gung should be released very soon. Essentially it is from May 3-9th.

Dr. Chung Sik Yong will be in LA for the UPF event on March 25th and be at LAFC for Sunday Service on the 26th.

God Bless,

Kevin and Masako Thompson
