Hello Brothers and sisters,

As you know, this is a time of change and development in our church. After moving to another level based on specific declarations True Parents usually have a change of leadership to align with the new phase that we are in.

After the incredible victory of True Mother opening the Cheon Won Gung God's Providence has entered a new time period. The greatest focus of the Providence remains on the reunification of North and South Korea.

As such, True Mother has recalled major Korean leaders worldwide to help activities in their home nation of Korea. This includes our Continental President Dr Chong Sik Yong. And, while we shall miss him and especially his Morning Devotions, we are proud that America can offer him back to Korea and that he can play an instrumental role in the Korean providence from now.

Now True Mother has recalled Demian Dunkley from the fine work he has been doing in Asia to lead our American movement. This Sunday in the New Yorker hotel. We will say goodbye to Dr. Yong, and welcome to Rev Dunkley. It will be broadcast live at 10 AM eastern time. Any further changes will come about in the next week or two.

God Bless,

Kevin and Masako Thompson
