Dear brothers and sisters,

Thank you for your continual dedication to God's Providence. God really needs those who are connected to True Mother and excited about the Cheon Shim Won providence. I hope you can pray often at the Las Vegas Cheon Shim Won or your local Cheon Shim Won as they are created, and we can all do our utmost to witness, witness, witness in whatever

Thank you for all the investment of those who helped with One Heart Camp. This year we returned to Camp Seely and it was a big success. It is a labor of love that many people invest into the future of our young people. Next week we will have Camp Journey in Utah.

We went to see a movie at the theater this week. It is called The Sound of Freedom. It is a very serious movie dealing with the terrible situation of Pedophilia and sex trafficking. However, it is also a true story of a Homeland Security Agent who set out to rescue a young girl. It is very heroic and inspiring. If possible, we want to recommend that you go see this movie before it disappears from the theaters.

God Bless,

Kevin and Masako Thompson
