Dear brothers and sisters,

Thank you for your faithfulness and fruitfulness. We pray that God is blessing you tremendously and that, even amongst life's challenges, you can live with more and more gratitude each day.

A few days ago we had the 300th day of Cheon Shim Won prayer in Las Vegas. I believe that the Cheon Shim Won providence is igniting a spiritual revolution across America. I hope you can connect to that spiritual energy. Don't forget that you can offer wish papers through the Cheon Shim Won and petition God and the heavenly spiritual world for intervention in things that are on your heart.

God Bless,

Kevin and Masako Thompson
