Brothers and sisters,

Well, we are all still basking in the afterglow of the past weekend in Las Vegas.

The ACLC "Raise The Flag" event with our clergy and the amazing gathering of 1500 young people to show support to True Mother were both powerful, joyful events for everyone who participated.

Thank you to everyone from throughout the western region, from Alaska to Hawaii and every state we had an incredible turnout.

I really hope we can harness the inspiration that we all received and put it into action in our local communities.

This Saturday is another major event in Las Vegas with the ancestor liberation and blessing event taking place.

We pray for all who are involved.

God Bless,

Kevin and Masako Thompson
