

When we have the right spiritual condition, then God will begin to work

Brothers and sisters,

I hope this letter finds you well. Our region covers a vast area from north to south, and from Colorado to Hawaii, so therefore every state situation is a little different.

Some of you may be under snow while others are still experiencing very pleasant weather. Whatever the circumstances, I pray that the light of God's grace shines upon you and all your endeavors.

I hope you had a chance to see and read about True Mother's visit to Dr. Chung Sik Yong's church in Korea. Now we are seeing many wonderful breakthroughs happening in Witnessing in Korea with the huge prayer foundation centered on Cheon Shim Won.

As True Mother told us, when we have the right spiritual condition, then God will begin to work. I believe that the same thing can happen in our churches all over America.

Thank you for your dedication, hard work and deep Faith. This is what gives great hope for God and True Parents.

God Bless,

Kevin and Masako Thompson
