WEST REGION FAMILY *NEWSLETTER*

Brothers and sisters,

I hope you are well.

I was on a 2 am International Conference Call with our worldwide leadership and we heard from Dr. [Yong-chron] Song that Mother is excited, anxious and encouraging us all.

With just 43 days to go until the grand opening of Cheon Shim Won True Mother is asking us to make our best efforts to be as spiritually clean as possible and to make our best offering.

This is True Parents great offering to God and Mother wants to showcase all the people who have been given new life through True Parents.

One vitally important way to make an offering is to make a financial offering for the Cheon Shim Won. So far 378 couples in America have made the suggested donation of \$16,800.

Those who make that donation will have their names inscribed in the Cheon Shim Won for all eternity.

Thank you for whatever you can give to this historic accomplishment of True Parents. Please do your best.

God Bless,

Kevin & Masako Thompson
