This year we held our Peace Road event on July 30th, 2017, in the Portuguese capital Lisbon. We had 100 participants including several second generation.

In this event we went to several historical locations in our country. It was a fantastic day and all participants specially our second generations were enthusiastic.

At the last location we visited the Holy Ground. At this place, we planted an Olive Tree symbol as the symbol of peace. we prayed together and then share a lunch.

We are very grateful to our Heavenly Father and True Parents for having the chance to participate in unison in this great project of Peace Road.
