

CARP Las Vegas Two-Day Weekend Divine Principle Retreat

Akira Watanabe
April 16, 2016

CARP had 2-day weekend Divine Principle retreat on April 15, 16. This was second time that Jinil gave full four lectures. We had six guests and especially two of guests who had strong Catholic background were so touched by principle.

At bonfire community member Lorna Todd gave her testimony on transformation through Divine Principle.

This Workshop was coordinated with three actionizers who has studied Divine Principle.

We ended with great sense of hope!
