Tirana, Albania Peace Summit in the Cheon Il Guk embassy

On February 25, GPA's Tirana group participated in the Tirana ambassador of peace summit in the Cheon Il Guk embassy. It was a cool experience.

Sadly I wasn't able to understand most of what was said, due to the language barrier. From what we were able to understand they spoke a lot about peace and family.

One of the Tirana group members said "it was nice. Even though I couldn't understand a single word they were saying. It was nice seeing all of those people striving to create peace in their country and in the world."

Before the event started we were invited to sing a song at the end of the summit for all of the guests. We decided to sing Country Road. It was challenging, but we tried to invest our heart into it!
