Greetings from the Los Angeles team!

Even though we have different types of personalities, we have a big heart to serve and invest in our mission!

In LA, we're so blessed to work with and receive guidance from Naoko Hiraki, the director of [CARP L.A.](#), as well as working with CARP and Korean international students at Pasadena City College (PCC)!

It's been a great experience studying and sharing the Divine Principle with PCC students and bond with them.

Every Tuesday, we hold a CARP talk where we cover a topic about the purpose of the principles and have meaningful discussions in groups.

We've covered topics such as "What is joy?" and "Love and Beauty".

It's been a great experience so far and we look forward to continuing to contribute towards creating a heavenly culture in the city of Los Angeles California!
