## First Years, Captains and Cheon Il Guk Missionaries

The first years, captains, and Cheon Il Guk Missionaries have just completed the Winter Competition! It was an exciting condition filled with highs and challenges as everyone strived to know God's love for themselves to give God's love to others. During this condition, members received education about Heavenly Parent's heart of unconditional love and worked on applying it through fundraising. Throughout the condition, many members were able to gain empathy for their brothers and sisters on the frontline as well as the team in the van. They have also started to do Divine Principle study and lecture practice during the day to learn how to implement Principle in their

daily lives. Currently, everyone will regather at Camp Lone Star in Texas for a workshop to digest their experiences before heading home for Christmas.

## Heavenly USA

HUSA is currently fundraising for their trip to go to Kenya next year! They are hoping to go around March-April. A sub team of Tim, Desiree, and In-Ju are also fundraising but they have been doing Divine Principle studies with the great nephew of MLK Jr! After they finish fundraising the group will regather for a workshop before heading home for Christmas break.
