## First Years, Captains and Cheon Il Guk Missionaries

The Cheon Il Guk Missionaries, Captains, and first-years met at Camp Lone Star in Blanco, Texas, for a workshop about True Parent's Course. GPA had the honor of having Rev. Sakai, the Dallas Family Church Senior Pastor, give the lectures and host a Q&A every night. It was a precious experience to hear from someone knowledgeable about who True Parents are and their significance in the world. After wrapping up the workshop, the first-years and captains began prepping to go out fundraising, and the Cheon Il Guk Missionaries left the workshop to have time to prepare to go to their mission countries. Before separating, the two programs had a moment to say goodbye to the first-years and captains, giving their older siblings gifts and words of encouragement.

The Cheon Il Guk Missionaries then had time to bond as country groups, receive guidance to prepare them for their mission and hold their Oath Ceremony. Here is a list of all the countries the missionaries will be going to and the teams.

## Heavenly USA

After a restful Winter break, HUSA members safely arrived in Atlanta on the 8th and spent about two days debriefing and discussing their break. Then they drove back all the way to DC to start our next workshop, hearing two guidances so far from Kouki Tamura and Rev Jackson. Later today, we will

also hear from Tanya Edwards and a visit from Michael Jenkins! So far, these members have been studying more about the life of Jesus and how much he has impacted us, as well as learning more about True Parents, the importance of ACLC, etc.
