Today, we do not live in the past. Until the day we achieve God's Providence and the day when all people live in Cheon Il Guk and attend the Heavenly Parent, we must live today for tomorrow, and run forward without rest. We are living in a time of battle. This is a battle to return this earth to God, which was originally His. In promoting the Heavenly Parent's Holy Community by 2027, I would like to see at least 1/3 of the world population come to know about Heavenly Parent through us. From June 1 until December 31, we have approximately seven months. I would like to see the results within the next seven months. This is a battle. Therefore, the five sub-regional leaders of the Gyeongsang nation, the Jeolla nation, the Chungcheong nation, the Gyeongwon nation, and the Gyeonggin nation are its **commanders-in-chief**.

Dedication of the Cheon Won Gung & Cheon Il Sanctum

- Construction of the Heavenly Parent's Sanctum

True Parents' Message on Cheon Won Gung

"The completion of this building is the **completion of the Heavenly Providence.** **It is the completion of human history.** Hence, if Cheon Jeong Gung is the most holy place centered on True Parents, the Cheonji Sunhak Won, which I mentioned is like a central government building, is the Cheon Won Gung. So, this becomes the place where True Parents who are on earth, will truly exercise their authority and lead their work in relations to humanity and all nations. Then there shouldn't be day and night. The concept of a museum is therefore not appropriate. In that respect, it is the Cheonwon Palace.

This is Cheonjeonggung and Cheonji Sunhak Won is Cheon Won Gung. All mankind in the world must come and be educated at Cheon Won Gung, see the facts, see the achievements of True Parents, and become children reborn through the Blessing, and thereby lead enriching, beautiful, and fruitful lives on earth."

"If Cheonjeonggung is the most holy place centered on True Parents, then the Cheonji Sunhak Won, which is the sanctuary of the providence of restoration, is **the center of education and the central government office that governs all of heaven and earth.** Therefore, Cheonji Sunhak Won is the Cheon Won Gung."

< July 4, 2019 (6.2 in the 6th year of Cheon Il Guk) >

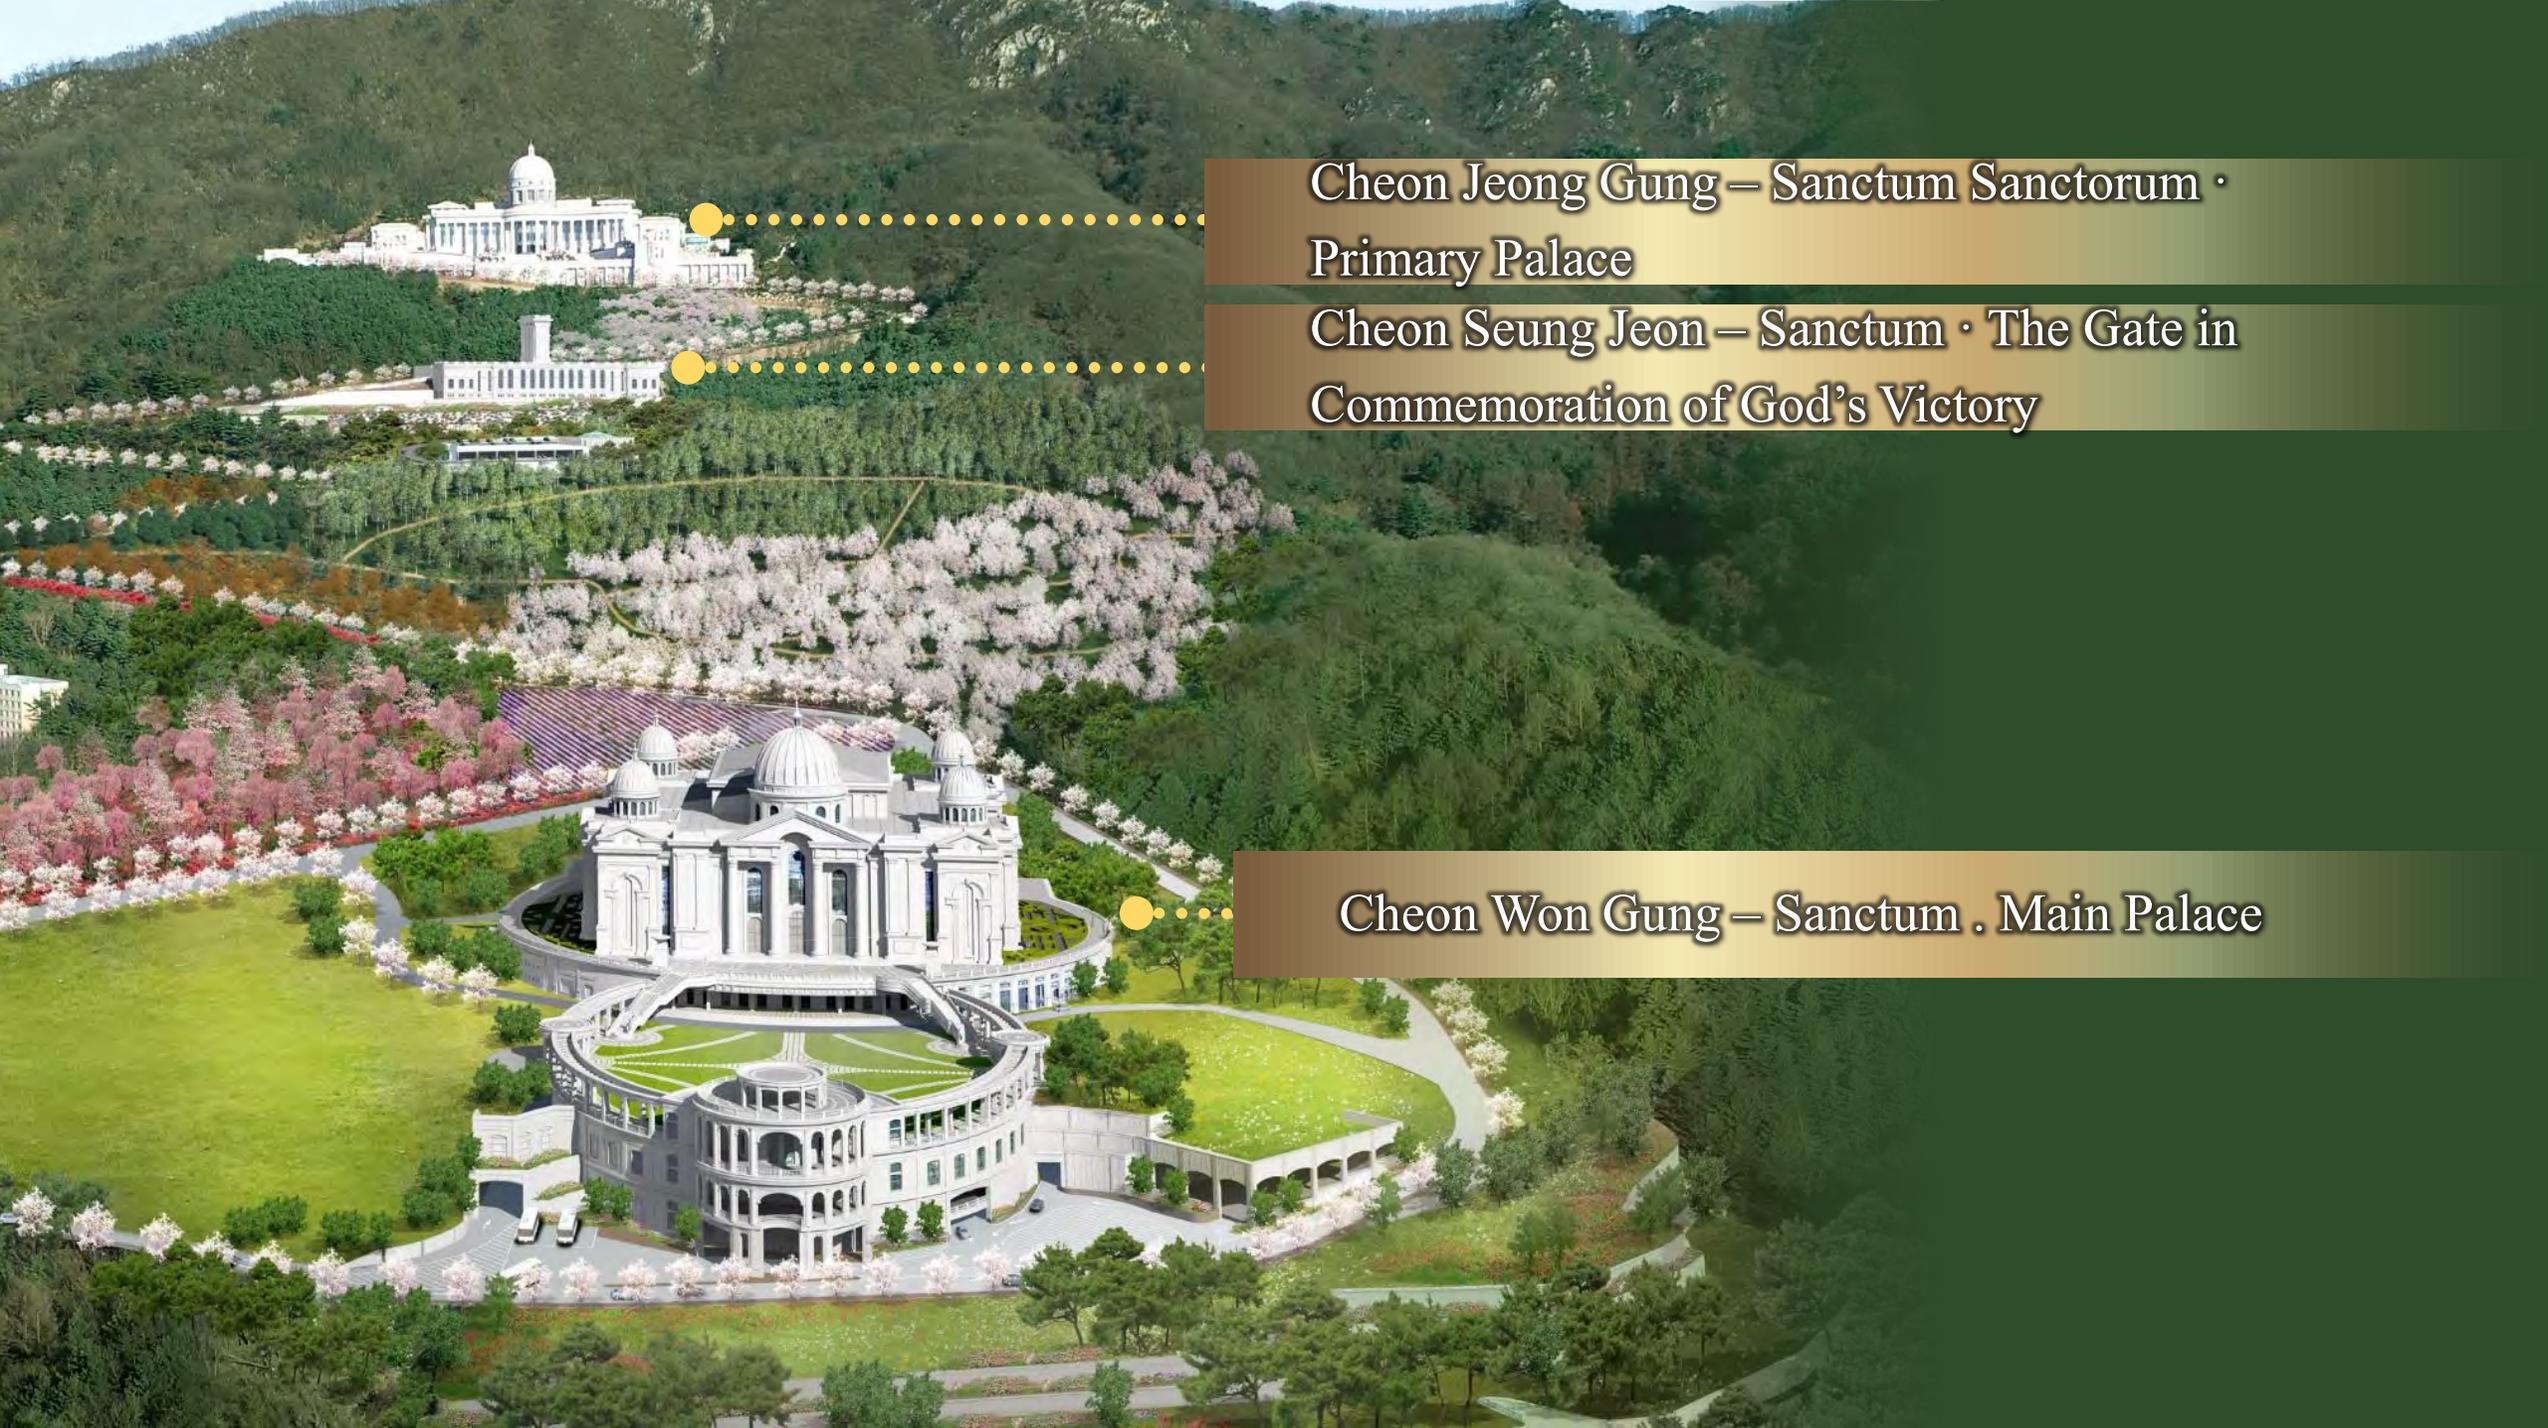

True Parents' Message on Cheon Won Gung

“During the beautiful spring season of 2023, I plan on dedicating Cheon Won Gung, and especially the **Cheon Il Sanctum**—the sanctum where we can attend our Heavenly Parent. Not one single person, no one alive on this earth, should remain ignorant of Heavenly Parent or of True Parents.”

< May 8, 2020 [4.16 in the 8th year of Cheon Il Guk] >

“Those in the different sub-committees of the Cheon Won Gung Construction Steering Committee have worked really hard. Thank you for your work! The only thing left now is to create the results, isn't it? So please do your best and work hard until the end! Just as all the leaders reported earlier, **Cheon Won Gung is an unparalleled temple, a capital, and a treasure wherein Heavenly Parent presides and one that can establish the status of Heavenly Unified Korea.**”

The image features a detailed architectural line drawing of the Cheon Won Gung building, a traditional Korean palace structure. The drawing shows the building's facade with three prominent domes and a central entrance. A white rectangular box with rounded corners is superimposed over the middle of the drawing, containing the text 'Concept Changes' in a green serif font. The background of the slide is a light gray gradient, and the top section has a dark green and brown patterned background with gold-colored text and decorative elements.

True Mother's words at the Ridge Beam Placement Ceremony

2021. 4. 27

Heavenly Parent, to whom we are grateful; Heavenly Parent, we give thanks!
You have waited for so, so long. Sixty years passed up to the point where we could usher in this one day, this day that stirs our hearts. It is finally today, the 61st Anniversary of True Parents' Holy Wedding, through this ceremony to complete the framework, so that we can dedicate, here on earth, the temple in which we can attend You, our Heavenly Parent.

All leaders and families who are here today must no longer be disloyal and unfilial children before God. They must no longer bring sadness to God. If you wish for Heaven's grace and blessing, keep in mind the only way for this nation and all of humankind to move forward is to correctly know of and attend our Heavenly Parent. Much time has passed before we could hold today's beam-placement ceremony, but I am extremely excited and thankful. I earnestly hope for Heavenly Parent's supervision and protection from today until the dedication of this building in 2023. I pray this in the name of True Parents. Aju.

Dedication of the 60th Heavenly Parent's Day

For the Firm Establishment of a Heavenly Unified World

2028 will mark the 60th anniversary of True God's Day. If the Christian foundation had served as an environment for True Parents when they had emerged, then True Parents' Holy Wedding and the emergence of our Heavenly Parent [as our Father and Mother], would have happened on the same day... Now, on the foundation of having successfully completed national restoration with Vision 2020, and as we advance toward the 60th anniversary of True God's Day—Heavenly Parent's Day—you will see miracles from Heavenly Parent being together with True Mother, God's only begotten daughter, as she carries out her work for Cheon Il Guk on earth.

Dedication of the Firm Settlement of the Completed Cheon Il Guk for the Firm Settlement of a Heavenly Unified World

To create a nation, there must be sovereignty, people and land. The same holds true for the heavenly kingdom.

Sovereignty is represented by the parents, the people are represented by the sons and daughters, and the territory by the nation.

None can be left out; it is an ironclad rule.

Hope and Liberation

of the Homeland

Sometimes, I reflect, “What is the work to restore Heavenly Parent’s Homeland?”

A century ago, my maternal grandmother opened an old piece of cloth and revealed the Taeguk flag.

Likewise, I reflect, “What shall I do for the sake of the nation in this era?”

The time has come for each and everyone of us to take out the Taeguk flag we had been keeping in our hearts for the sake of the **Liberation of Heavenly Parent’s Homeland.**

Just as grandmother Cho Won-mo took out her Taeguk flag and shouted:

‘Mansei for the Independence of Korea!’

We should shout at the top of our lungs everywhere, “**Mansei for Cheon Il Guk,**” the homeland of Heavenly Parent.

THANK YOU

감사합니다!
