Candles

24/7

- Just like Jacob's Dream as he saw Angels descending and ascending on ladder connected to Heaven. Angels and Absolute Good Spirits are constantly working, going up and down a pillar of light in the CSW Special Prayer Room. This is all possible with the candles burning 24/7. As Blessed Family Members enter the CSW Special Prayer Room and offer their devotion, they can feel Heaven Working immediately.

Devotion

- Please have daily group HDH/Prayer Devotion. By offering regular devotion, Angels and Absolute Good Spirits are able to work more.
- True Mother encouraged Blessed Family Members to do Resonance Prayer. When Blessed Family Members cry out to Heaven with a desperate longing Heart, Heaven cannot possibly ignore us. Instead, all of the Good Spirit World will gather in that one location.
