

Blessing of the new Humboldt Centre in Linz through our National Leader Peter Zöhrer

Linz, Austria, 16. June 2013

We had the official blessing of our new centre in Linz through our national leader couple Peter and Gabi Zöhrer. Peter gave an inspiring Sermon on the Vision 2020 during our Sunday service. Many blessed families came with their second generation youth. We could celebrate the opening and blessing of the new centre. One of our blessed couples bought this 170m² office and we will rent it from now on. Many brothers and sister helped in restoring the centre incl. 2nd generation.

Heinz Krcek presented his book on 21 sermons of him. The title of the book is: "Where is the way to paradise?" After the book presentation Peter blessed the new centre in his unique dynamic way with holy salt. I felt the heavenly spirit is moving around.

Many families brought cakes or sweets and something for buffet and so we could share with each other and eat together a snack.

Later surprisingly Peter and Gaby invited some brothers and sisters for a meal together. So we could share many things and the couples enjoyed it seemingly.
