Channeling Jesus

2000 years ago...
Revelation to Saint John at Patmos Greece

Rev.1

The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:

Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.

Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

Saul on the road to Damascus

St Paul by Rembrandt

As he journeyed he came near Damascus,
and suddenly a light shone around him from heaven.
Then he fell to the ground, and heard a voice saying
to him, "Saul, Saul, why are you persecuting Me?"

And he said, "Who are You, Lord?"

Then the Lord said, "I am Jesus, whom you are
persecuting. It is hard for you to kick against the goads."

... - Acts 9:3-6

(To "kick against the goads" is nothing less than an exercise in vanity; futile and pointless.
The Greeks and Romans used this saying to imply "ruinous resistance.")

Goads = a pointed rod used to urge on an animal

Paul had to learn the hard way that resistance to Jesus was a losing battle — hopeless)

Apostle Paul

... through the original sin none is righteous, NOT ONE PERSON.

Rom. 3:10

It means that all have a common guilt, a common sin.

SPIRITUAL COMMUNICATION WITH THE
APOSTLE PAUL GIVEN THROUGH
THE CLAIRAUDIENT MEDIUMSHIP
OF REV. LOUIS W. LUSARDE

In the Unification Movement California
MAY "20-21, 1962"

St Paul 1962

Rev. Lusardi (if I recall the spelling correctly) was a spiritual medium living in the San Franc. Bay area. He was young enough at the time to still be living today. He was the one who received the message from the Apostle Paul.

The message(s) were circulated and read in the US movement (Dr. Kim's branch) in the late 60s and early 70s.

I remember feeling at the time that they had the ring of truth to them.

/Dan Fefferman

St Paul 1962

The Jews fell away because they thought that the Old Testament was sufficient for them.

Their rejection of Jesus is proof enough they were blinded to the fact that He was the fulfilment of the scriptures.

I bear witness to the fact that the Old Testament and the New Testament combined are not sufficient to live by in the New Cosmic Age we have ascended into.

St Paul 1962

To be saved, every man, woman and child must commence their mission before they leave this earth plane.

And before they can do this they must find the reason for the original sin and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done in the body, the spirit of Truth demands it.

New Message 9th of September 2001:

Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken.

We necessarily should have attended God, the resurrected Jesus and the Messiah.

Whenever people frustrated God's Will, they prolonged the history of the Dispensation for Restoration, requiring a new central figure.

St Paul 2001

True Parents!

The partial ideas Paul planted into Christianity have acted as obstacles to the providence of the Messiah, haven't they?

Now in spirit world I will never repeat my mistakes.

I promise to study the Principle and lead Christian believers here in the right direction.

I have been making thorough preparation for accomplishing my assigned mission.

Emanuel Swedenborg's Unique Theological Contribution

By Dr. Young Oon Kim

Swedenborg was born in 1688 and lived until 1772. This means that he witnessed one of the most exciting periods of European history.

Louis XIV ruled France during most of Swedenborg's life and made his court at Versailles a symbol of political power and cultural magnificence.

Peter the Great was trying to reform and westernise Russia.

Then came a remarkable change in his life. In 1743 at age 55 he had an experience of spiritual enlightenment. As he put it, heaven opened up completely to him and he became the channel for direct revelations from God.

Before he died at age 84, Swedenborg had written over 16,000 pages on theological topics alone, all based on his psychic experience of spirit world.

According to Swedenborg, there is a correspondence between what takes place on earth and what occurs in the other world.

For me, Divine Principle's idea of the polarity in God sounded like Swedenborg's idea of God's dual essentialities; Divine Wisdom and Divine Love.

Since man is a representative image of wisdom and woman is a representative image of love, there is need for them to have a reciprocal relationship.

Isn't this like our Unification theologies emphasis upon the polarity of man and woman and the need for give and receive?

There are two worlds, the spiritual and the natural.
These are distinct, yet similar.

Spirit world has trees, mountains, cities and societies,
just as does the natural world.

The only difference is that each thing in one world is
spiritual which is natural in the other world.

For Swedenborg, Providence works to save all men, whether they are Christian or not.

Everyone who lives by the principles of the Ten Commandments is saved.

Swedenborg also denies the Pharisaic idea that all men will be physically resurrected at the last day.

Actually, every man rises again immediately after death. He thinks he still has his body, exactly as it was on earth.

The corporeal form however, is no longer of use to him. He henceforth sees spiritually and feels spiritually, because he uses his internal rather than external senses.

According to Swedenborg this literalistic method obscures the real message of the Bible.
If the Word is divine, it must have a spiritual meaning.

As God reveals Himself in 3 ways and there are 3 heavens corresponding to these, so in Scripture one can find celestial, spiritual and natural meanings.

So the doctrine of the last judgement -
in Swedenborg's view- does not mean that heaven and
earth will perish.

Instead it means that a new church will appear both in
heaven and on earth to carry out the Lord's purpose.

Nor will mankind perish in the last judgement, as literalists
believe.

The human race will continue for all eternity because it is
the basis upon which heaven is founded.

According to Swedenborg, conjugal love is the highest kind of relationship because it expands the innermost things of both mind and body.

In heaven there is no domination of one partner by the other.

Husband and wife experience the joy of mutual sharing, and delights exceed all others. Thus, genuine conjugal love is an image of heaven.

The primary part of worship is a life of charity, and its secondary is praying."

That shows the real Swedenborg of which his theology was a natural by-product.

Jakob Lorber
1800 – 1864

A Christian mystic and visionary from the Duchy of Styria, who promoted liberal Universalism.

While devoted to music, Lorber followed also his inclination to deepen his spiritual understanding, diligently studying the Bible as well as the works of men who followed the "inward path", among others such mystics as Jakob Boehme and Emmanuel Swedenborg.

On 15 March 1840 he began hearing an 'inner voice' from the region of his heart and thereafter transcribed what it said.

New Revelation 10,000 pages in print.

The New “Gospel of John” contains 2000 pages claimed directly from Jesus.

Can you imagine a more frustrating experience than the one God had?

Here is God who among all the peoples in the world chose the Jews to become "His own people" because they were the only ones who in the old days had kept the belief in One God.

He made a covenant with them (Abraham), freed them from slavery in Egypt, gave them a unique law, gave them a beautiful land, educated them, blessed them and forgave them their many sins.

But when He finally comes to visit them in human form in Jesus to bring them eternal life they reject Him and kill His body.

Bethlehem in the year 4151 after the existence of Adam,
and more precisely at midnight on the 7th day
of the month of January,

You may know that Jakob Lorber was a 19th century
mystic who wrote a books on spiritual subjects by
automatic dictation - he heard a Voice, God's voice.

Maria Valtorta
1897-1961

With her unique gifts of inspiration and literary genius, she is the greatest writer since Saint John the Evangelist. Jesus nicknamed her "Little John". She is the most widely read Italian author in many languages throughout the world.

Jesus on Marriage:

Nothing is healthier or holier than two people who sincerely love one another and unite to perpetuate the human race and give souls to Heaven.

The dignity of a man and a woman who become parents is second only to God's.

1965-1972

Helen Schucman, Ph.D., a clinical and research psychologist.

A Course in Miracles was "scribed" by Dr. Schucman between 1965 and 1972 through a process of inner dictation.

She experienced the process as one of a distinct and clear dictation from an inner voice, which earlier had identified itself to her as Jesus.

Time is under MY (Jesus) direction,
but Timelessness belongs to God alone.
In time, we exist for and with each other.
In Timelessness, we coexist with God.

The Crucifixion did NOT establish the Atonement.
The Resurrection did.
This is a point which many very sincere Christians have
misunderstood.

"Christ Returns: Reveals Startling Truth" – Letter 1-9 was penned in 2001 by an anonymous woman who, after forty years of contact with Jesus Christ, received and documented the teaching of Jesus in his own words.

Some main points;

As a young boy...contrary to common beliefs I was not a saintly child.

Before and after my (Jesus) 6 weeks in the desert
I was totally changed.

There is no 'punishment' from above high!

Man through the wilful and harmful excercise of their 'Ego-power'
draw to themselves their own punishment; sickness, accidents,poverty...

I have come to rectify misinterpretations of what I did 2000 years ago.
Because people are on the threshold of a world crisis of enormous proportions.
(9/11 2001, Febr 2022)

Spiritual evolution of the '*human consciousness*' that brings about mental and physical evolution, that brings harmonious states of wellbeing.

2000 years ago was little brotherly love – I said love your neighbor as yourself

Human consciousness blocked inflow of the Divine.

Your TV and Cinema screen has become the New Bible of human behaviour.

Wake up! Realize! *Your own strong 'conscious impulses' are life impulses*
What is born and nurtured in the diseased mind eventually takes on form in the physical world.

(Compare Power of positive/negative Thinking)

There is **Reality of Love** behind and within all existence.

My followers after death/resurrection distilled what they could use and 'let go' most of what I termed the 'secrets of the Kingdom of God' for they never understood them.

Just as all your sickness and evil begins in your mind – *so does your good.*

Jesus confirms DP:s only spiritual resurrection of himself;

I has been said "my body rose from the dead"...

What need would I have of an earthly body
to continue existence in the next dimension?

Experiences with Jesus

Before True Father (Dr. Sun Myung Moon) made his first appearance to me in a dream, Jesus appeared to me one evening, shortly after I accepted the Divine Principle, I was lying on my bed when Jesus appeared at my bedside. He told me that I must go through the crucifixion with him. At that point I was suddenly on the cross.

I could see and feel the nails pierce my feet and hands. I could feel the crown of thorns on my head. I lay in my bed, writhing in the total anguish and pain of the crucifixion; I was there with Jesus on the cross.

1984

After it was over, I knew the deeper pain was in Jesus' heart, and I knew that if I continued to go this way I would experience an ongoing crucifixion of my self. How sober I felt!

Another time Jesus appeared in a dream, letting me know how much he loved me, how he was a man of flesh as any other man, and that as much as he had tried and desired, he could not complete his work. For this he was most sad and, in a way, broken. I shall never forget his personal love and kindness in this dream.

Jesus appeared to me again for a last time. I was in a place not unlike heaven in the spirit world. Jesus appeared in the distance and began approaching me. At one point he stopped and gave me an ancient salutation. As he did so, a voice spoke and all around me the atmosphere rumbled with the sound. It was like the voice of God and it said, "This is Jesus, the Christ."

1984

Help from the Spirit World

Peter, my second spiritual son, and I drove down into Lawton one night to witness. The place was deserted. We headed back to the post, when all of a sudden I knew I had to return to Lawton. I told Peter to immediately turn the car around, that there was someone we had to meet.

He was puzzled and a bit miffed at me. Still, he obeyed.

With a little anger in his voice he said,

"Where do you want me to go?" Without thinking I said, "City Hall."

1984

Help from the Spirit World

When we arrived there were several people on the lawn. Peter said, "Which one" I pointed to a American Indian woman sitting on a park Bench, "That one."

I walked directly up to her and asked her if I might speak to her. She said, "Yes, I have been waiting for you." Peter nearly fainted. I asked, "How did you know?"

1984

She said, "Jesus came to me in prayer this morning and told me to go to the park bench in Lawton at the City Hall. There you will meet two young men who have a great message for you."

I was so humbled. Jesus had not only appeared to me in dreams and at my bedside, he was personally opening the way for me to witness to others.

Philip Burley channeling Jesus;

- The Spiritual and Physical worlds are to act as one – each supporting and benefiting the other for common purposes designed and supported by the Creator.
- Because God dwells within each of us, divinity is my core nature and also your own. ...practice *meditation* to uncover and discover God.
- God lived within me or anyone else.

The mystical people I met throughout my life taught me not only about my mission and the spirit world, but of finding God within myself.

...when I said "I and the Father are one", my intended inference was that you too, contain the living God.

We are all temples of the living God, and God has his highest dwelling place in the human heart.

Meditation is *natural* to human beings

Unless one could rise above the earthly to the spiritual plane,
The physical plane could appear as the only reality in existence
and humanity could remain blind.

It is the mission of higher spiritual beings to guide human beings during our time on earth, and the mission of human beings to discern this guidance and act on it.

The two worlds must interface, and its only natural that they do so.

after some time, the world was not ready for it to be published.

This is a very important Testimony about Lord of the Second Advent.

Nostradamus predicted already 500 years ago a future Second Coming in the East.

This African Testimony from 1916; also done before SunMyungMoon was born and from 1921 when he was only 1 year old, was long before he accepted his Messianic mission 1935...

Similar in many ways to the Old Test. prophecies about the coming Jewish Messiah being born in Bethlehem.

In 1916, a brave man, Thomas Ntualani (1880- 1942), saw a man near the Lulowo stream.

Ntualani realized that the man was not a physical human being but an angel.

The angel said, “You are elected to lead the way of God...

On April 6, 1921 another man, named Simon Kimbangu (1887-1951), started performing powerful miracles and teaching the word of God in the name of Jesus Christ.

1921 “Thomas Ntualani is a prophet, like you. You are both chosen to serve the Second Coming of the Lord.”

THE REAPPEARANCE OF THE CHRIST

p. 69 "the time of decision", as it is called in hierarchical circles, was in the time of fullmoon in June 1936 and full moon in june 1945. The time of decision covered only 9 years (a relatily short timeperiod); and resulted in the decision that Christ should return or become visible on Earth as soon as possible, and much earlier that planned.

Doris Walder
1959-1960

Jesus appeared to me day and night for a period of forty days, telling me many wonderful things that would come on earth in the years ahead.

Often when Jesus appeared to me there was an Oriental man with him; they seemed absolutely one in heart.

Later, when I realized that Father (Sun Myung Moon) was on earth, I knew that this man I had seen with Jesus was Father.

Doris Walder
1959-1960

Not long after this experience (1959), I moved to Oregon. It was there, very early in 1960 that I met Miss Young Oon Kim.

I was living on a ranch outside of Eugene, Oregon, off a road called Oak Hill Drive.

There was a vast forest at the back of the ranch. Often I would go into the forest and pray. I asked God many times, "Why don't you take me to the spirit world, because it is so much better there than on earth." I wanted to experience again what I had experienced when Jesus had appeared to me.

At the time I did not know that our beloved Lord Sun Myung Moon was already on the earth, bringing to all of us that Perfect love that passes all understanding.

The next time I came, they led me to the study room and gave me a book written by Dr. Young Oon Kim, introducing the Divine Principle revelation.

When I read the passage about the similarity of the time of Jesus' birth and the Second Coming, I started to joke about this "nonsense."

In the next moment, I was stunned. I saw Jesus pass through the room, saying, "I am in this place!"

Then he disappeared as he had entered.

A wave of peace settled around me.

Baba Vanga
blind Bulgarian

Baba Vanga's prophecies made her famous; probably not as famous as Nostradamus, but still, for a humble, illiterate, blind Bulgarian she made headlines all over the world.

Interesting fact:

Baba Vanga mentioned a
new religion that will take the earth by the storm:

The White color associated with that new religion representing
a religion coming from Korea,
known as the people of the white clothes.

He will build a world highway with super fast trains,

resolving all barriers and resentments by using marriage to promote peace and love where there was hatred.

In fact most of what she described him doing can be associated with the Universal Peace Federation and its founder, Rev. Dr. Sun Myung Moon.

Next Heung Jin Nim asked me, "Will you be my medium?"

I replied, "Yes, if that is what God wants me to do." I told him that I would feel blessed and privileged to work with him, even though I didn't feel worthy in any way. He tied our wrists together with a white ribbon; and taking hold of my hand, somehow he took my spirit out of my body and his spirit entered in.

In spirit he came to the Lancaster Gate ballroom and the people there began to see Heung Jin Nim instead of me.

He sang a song for them, and as he sang more and more people came in the main door of the ballroom until it was completely packed.

Heung Jin Nim left me there; his visit had lasted an hour and a half.

Five days later, on January 29, Heung Jin Nim spoke through me to all the members on our national witnessing day. He gave us a great deal of strength and encouragement.

He said that he and Jesus were very united, and that Jesus and many high spirits would work together with us to bring people during this period.

Also Heung Jin Nim was contacting many pure-hearted young people in the spirit world to help us. We should have faith and not be afraid, he said.

If we united in spirit with him, the nation could go forward.

Remarkable Messages from the Spiritual Realm
1997-2001

The vertical self and the horizontal self become one centering on God's true love. The reason your heart even now is in a state of conflict and contradiction is because, due to the Fall, the vertical and horizontal lines do not intersect at the ninety-degree angle necessary for true love to take root.

Put simply, without God's true love, the complete unity of the mind and body can never come about.

THE MASTER SPEAKS

ON PRAYER AND THE SPIRIT WORLD March April 1965

1. Can we have communication with God when we are in the Indirect Dominion? No matter what stage you are in, you can still talk to God directly.

In the Old Testament Age, prophets talked to God directly, even though they were in the position of servants.

Many mediums talk with God directly through their clairvoyance and clairaudience ~ It can be done even though you are still in an imperfect stage.

The Direct Dominion does not mean that you cannot communicate with God. Direct communication is not Direct Dominion. A father or mother can take care of little children - directly ~ at is not direct dominion.

Direct Dominion is dominion by the absolute love of God ~ In other words, it means to have direct rule or regulation of mans love by the love of God.

God cannot have dominion over man's love until man is mature and is aware of love ~ Suppose man is aware of married love, or sexual love, at the age of 16 ~ God could not have dominion over his love at the age of 13 or 14, because the child would not be aware of it. God does not want to talk about it or control and guide it so early.

He has to wait until the child grows and becomes aware of that sense. God cannot have Direct Dominion until the child grows. Besides this however, God can have direct communication from babyhood.

Direct contact is not direct dominion.

2. It is very important to record your first experiences when you contacted the Divine Principle and were full of thrill. Then when you are in a low period, go back and read it; It will remind you, and bring you back.

If you don't have such a record, recall this in your memory.

It says in the Bible to remember your first love [Rev. 2:4-5]

So go back to your first experience of gratitude and excitement. Then try not to go down from this level where you started.

3. It is under my spiritual dominion that these phenomena appear (my Spiritual appearance in different forms), so I can appear to a thousand people at once.

What I am doing is affecting the whole world.

Therefore, whenever I make condition or do something, unusual things happen in the external world.
