In the Year of the Rabbit

The Butterfly effect

## Warm front

Source: Lutgens and Tarbuck, 2004

Cold air is denser than warm air. So a cold front is the leading edge of an advancing cold air mass and a warm front is the trailing edge of a retreating cold air mass.

I believe there is no physical “butterfly effect” on weather.

It is only (in my mind); the Sun's radiation+the Earth's rotation => creates an imbalance (movement) in the air masses => causing low and high pressure  
=> causing weather.

However, in my mind I can think that spiritually small causes have large spiritual CONSEQUENCES

ex. the Fall of man; a single moment's mistake => endless human suffering war and conflict.

Judas betrayal of Jesus => 2000 years of non-perfection; closed spiritual doors

if Christians accepted SMM in 1945 =>  
no Korean War ...etc etc.

## Fall of Man

Quote: SMM

In unlocking the problems of the universe, I realized that the greatest discovery was the truth about the Fall of man. If the forbidden fruit was a literal apple or pear which God placed right in the middle of the Garden of Eden, then God's plan must have been imperfect. This was not the case.

Rather, I have brought a revolutionary declaration to the world that the forbidden "fruit" was a symbol of love between man and woman. From love can spring either good or **evil** fruit: therefore, the tree was described as one of the knowledge of good and **evil**.

Love is the judgment point for mankind. What is the love that God can relate with?

God warned Adam and Eve to grow into the full sensation of love -- for Adam to discover all of a sudden that Eve was not just a sister but a woman, and for Eve to discover that Adam was not just a brother but a man. In the sensation or love, Adam and Eve's mind and body could work together and experience the electricity of touching each other.

Once Adam and Eve realized the explosion of their love, the entire universe would have been like one beautiful, fragrant flower garden. They would see everything echoing their love. When that electrifying sensation came to God, then He would be pulled to them and **His entire creation would have been activated with love.** God was supposed to be the matchmaker, bringing Adam and Eve together in the explosion of love.

In the ensuing explosion of love, all three of them would be consumed!

The important thing is that there be no foreign element there, that men and women be pure when they consummate their first love

Then they become the core of the universe.

This core would be so powerful that everything else would be pulled into it, even God. Children would be multiplied from that core, and it would continue to grow and grow

From a family the core would grow into a tribe, then a nation and a world. How wonderful a world it is when the universe echoes the love of the core.

That is the Kingdom of Heaven on earth -- that is the true world.

Rejection/

Quote SMM:

Acceptance of Jesus

What would have happened if the nation of Israel had wholeheartedly accepted Jesus Christ? Imagine the nation of Israel united with Jesus. What would that have meant?

First of all, Jesus would not have been killed. People would have glorified Jesus as the living Lord. They would have then gone forward to Rome with the living Christ, and Rome could have received the Son of God in his own lifetime. Him (Jesus) as Messiah.

But in the sad reality of history, it took four centuries for Jesus' disciples to win Rome. Jesus never won the chosen people of Israel, and he never gained the support he needed from them.

He came to erect the Kingdom of God on earth, but instead he had to caution his disciples even to keep his identity a secret because people did not accept his legitimacy as the Messiah, and he therefore lacked the power to be the King of kings.

Today we have much to learn, and we must not believe blindly. We must know the hidden truth behind the Bible. Jesus was crucified, not by his own will, but **by the will of others**. Jesus Christ was killed because humankind would **not have faith in him as Messiah**.

I am making a bold declaration. Jesus did not come to die. **Jesus Christ was murdered.**

Leaders of the most prepared religion delivered him to be crucified. The Roman governor Pilate wanted to release Jesus, but he was forced to release Barabbas instead. What a pity! What a tragedy!

## Second Coming

Quote SMM:

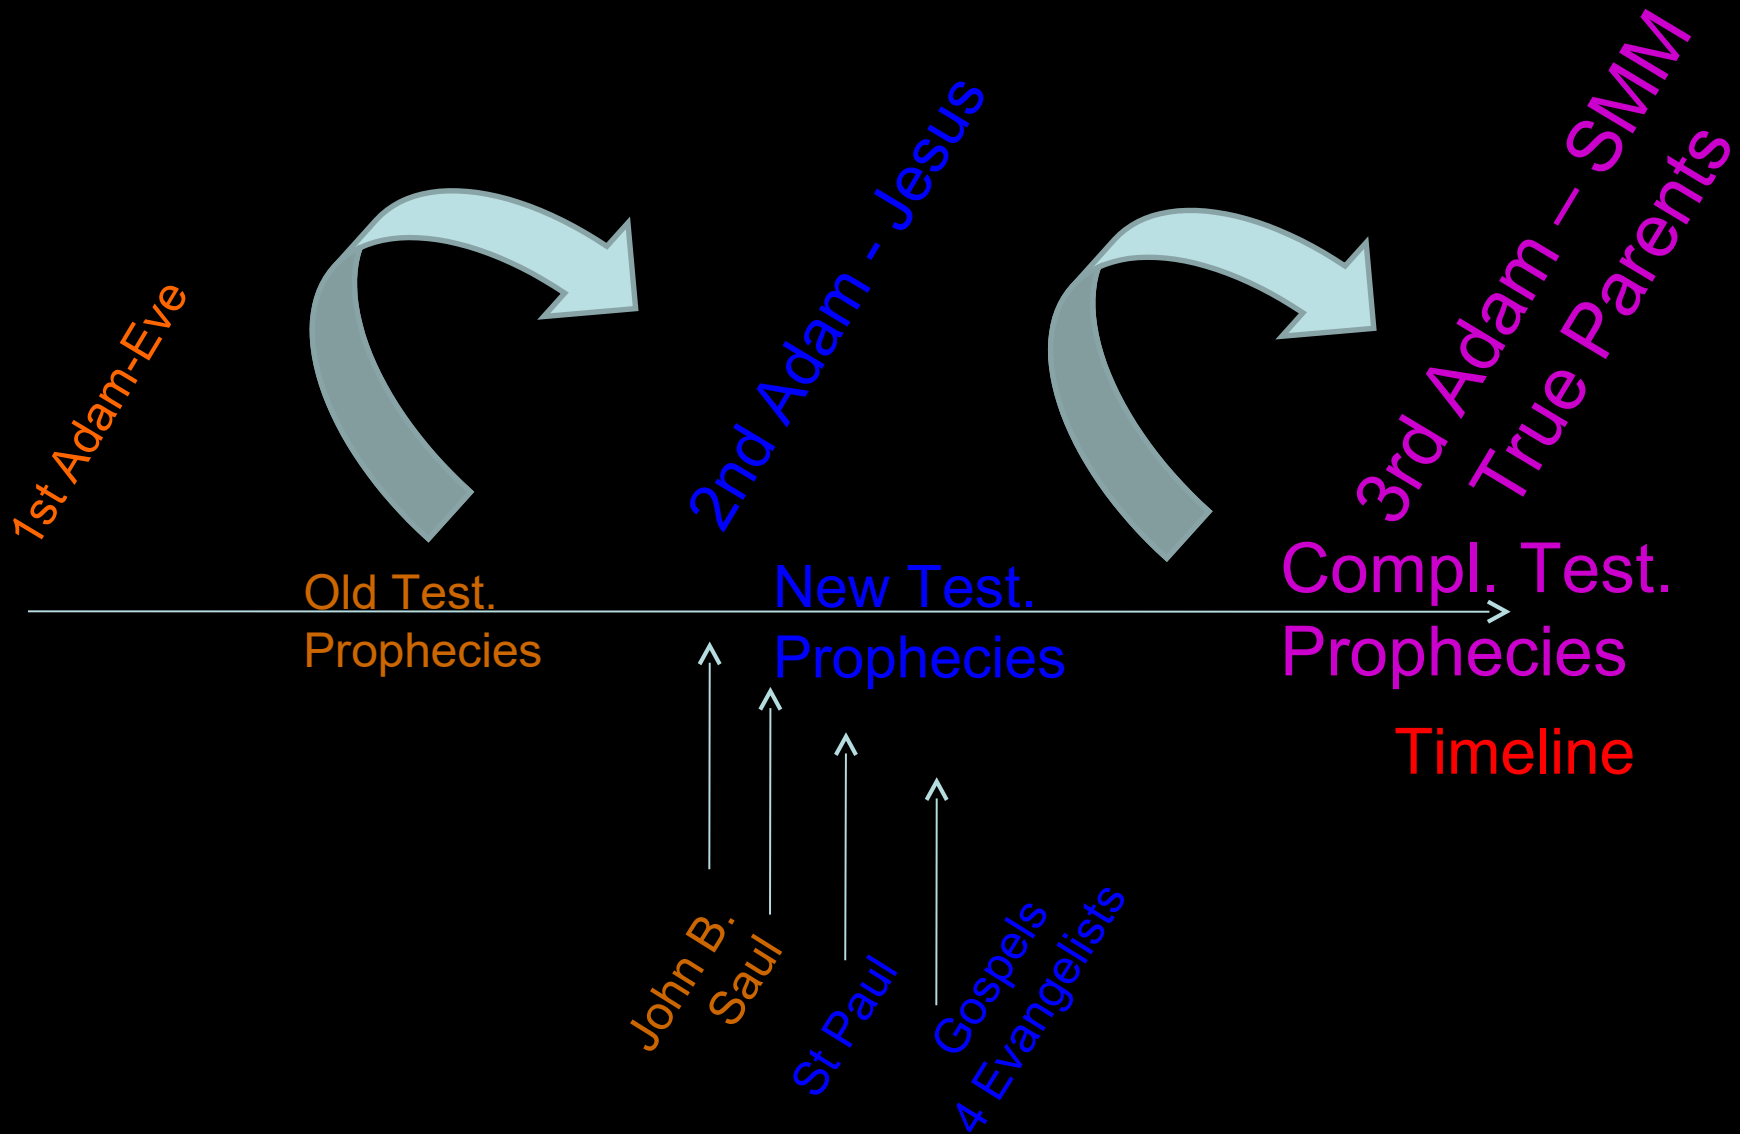

Jesus died on the cross, not to fulfill his own ultimate hope, not because of God's original plan, but **by the will of sinful people**.

Christ was destined to return from that moment on.  
He will return to consummate his mission on earth.

Mankind must await his second coming for the complete salvation of the world.

Comment: New Sinless Adam - Sun Myung Moon

Quote SMM:

In a way God fears us, and Satan fears us also because of our ability to betray. God is absolute good, and He never changes His position; Satan is absolute evil, and he never changes his position either. In this respect God and Satan are similar. However, we are a mixture of good and evil.

Then, may I ask, what would you do if the Lord returned to earth not in the clouds but as a man in the flesh? What would you do? I am telling you, the Lord at the second advent will in fact appear as a Son of man with flesh and bones.

When you use your spiritual senses and listen for the Word of God, you will find His direction and guidance.

But it is not easy to become a citizen of the Kingdom of Heaven. It is very difficult for a foreigner just to become a citizen of the United States. How much more difficult it is to remove ourselves from our corrupt life and transfer ourselves into the Kingdom of Heaven. But we can achieve this very thing.
