God = Heavenly Mind, Vital Element, True Love  
 These three things are actually one thing,  
 which is the blood lineage.

That is why the sexual organs are very important,  
 because this is where God and Human Beings  
 come together as one.

*"At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A. (1965), a questioner bluntly asked him: "**Are you Christ?**"*

*In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying: "and so are you... and you... and you also, if you can accept it."*

*On another occasion a translation of what he said in the Korean language was given as follows:*

*"This is God's world and it has no boundaries. It is one.*

*Your life is one of universal significance and I call upon you to share my mission.*

*Be urgently concerned for the world and know, feel and act in accordance with the Divine Will.*

*The purpose of the coming Lord is that some day  
all shall be like him - like Christ."*

## Sample of text: ChamBumo Gyeong

*Exposition of Divine Principle* is not all I have to say.

Before I would be able to say more,  
first you would need to know what I have said and  
where I said it, and  
put it into practise,  
but you are not even doing that.

*Exposition of Divine Principle* does not speak of me.  
What *Exposition of Divine Principle* explains is  
only things up until Jesus.

It focuses on Jesus.

And yet you think that the only thing you need to place importance on is *Exposition of Divine Principle*.

With all their hearts, members of the Unification Church should follow what I say, empathize with me, and be so moved by my life that they fulfill their responsibility as the standard-bearers who create tomorrows history.

If you lack such a heart, you will not develop.
