The universe was created after the pattern of a human being, who is in the image of God's dual characteristics.

Therefore, **the structure of the universe and every entity in it resembles that of a human being, which consists most fundamentally of mind and body.**

Corresponding to the human mind and body, the universe consists of the incorporeal world and the corporeal world, both of which are real and substantial.

(Substantial; Law of Attraction, Heavenly Law)

Why does God love us?

Why does God love us?

He has no choice – need an Object to Love

Love your enemy

/said Jesus

Live for Others

/ SMM

Why?

You grow as you love ALL
In KoH you should have no enemies!

If people attack you (=enemy) it means
YOU ARE NOT YET PERFECT! - NEED TO GROW. :-)

If people attack you (=enemy) it means
YOU ARE NOT YET PERFECT! - NEED TO GROW. :-)

Your enemy becomes your Blessing TO GROW!

Formation stage = " you can not love your enemy"

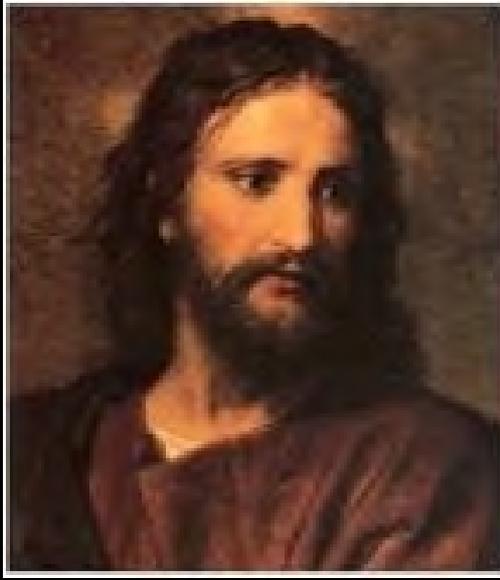

Growth stage = trying, trying... to love
difficult to love

Formation stage = " you can not love your enemy"

Completion stage = completely loving all enemies
= NO ENEMIES remaining. :-)

Growth stage = trying, trying... to love
difficult to love

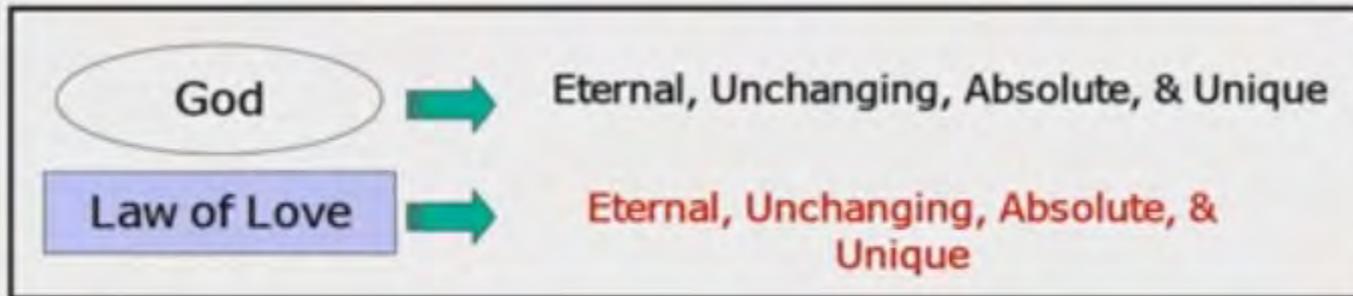

Formation stage = ” you can not love your enemy”

Matthew 5:43-45:

You have heard that it was said, 'Love your neighbor and hate your enemy.' But I tell you, love your enemies and pray for those who persecute you, that you may be children of your Father in heaven.

1. Because of the Law of Love established by God

The reasons you should love your enemy

“I am going to tell you the reason why you should love your enemy. As long as you do not love your enemy you can not overcome your destiny. It is not written in DP but you need to know this because it is very important. Even fallen Archangel, Lucifer accuses God, God needs to keep the principle made by himself because He is God. Therefore, even though the archangel had fallen, it is inevitable to subjugate the creation based on the law or principle that God has made. It means that even the Archangel had fallen, God should treat the Archangel based on the standard God was supposed to apply to Archangel before his fall. So, the Archangel has been telling God, “God, you are supposed to love me until I can accomplish the perfection stage, and even after accomplishing it.”
