

## Resources for a 6 week, 40 day, Sermon Series on True Father, Sun Myung Moon

Eleonore de Watteville  
July 4, 2015

This sermon series was developed to honor the second anniversary of TF's Seonghwa. We did it as a series of 6 sermons each discussing an aspect of TF's works and APPLYING IT TO OUR OWN MISSION. We began the series in July and it ran during the 2 months surrounding TF Seonghwa anniversary.

It was important that the sermons were not only educational lectures of TF's history but that they would offer encouragement for us to follow TF's example.

We offer the PowerPoint files, notes, and links to sermon and pre sermon videos for your use. We encourage you to explore each of the themes, modify the PowerPoints and develop them. Some sermons are more developed than others but we hope they will be a useful starting point for you to make a better sermon and do a better presentation than we did.

Currently, the PowerPoint files from our Dropbox site.

We post all our sermons on YouTube under SacFamilyFed
