Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.

DMV Witnessers Newsletter

~ Today's Witnessing HDH ~

“This movement will continue to flourish even after I transition to the spirit world. However, the importance lies when I am here. Why, you may ask? Because it is the time when our Heavenly Parent is with us. It is the golden age of Heavenly Parent's presence. It is while I am alive, while I walk this earthly plane. Do you grasp the significance?”
- True Mother, from 6/10/23 HJ Global News

Significance of the New Era Paradigm

01	02	03	04
Attendance	Fundamental Nature	Loyalty	Witnessing
Era of Substantial, Active Attendance	Era of the Pursuit of the Fundamental Nature	On the Foundation of Filial Devotion, the Era of Loyal Heart	Era of Reporting our Witnessing Results
An era wherein we substantially attend Heavenly Parent and True Parents, hear God's voice, and carry out our activities and life.	An era transcending the Old, New and Completed Testament Age, seeking for the fundamental nature centered on the Word of the Christ II Era.	An era of substantial national restoration wherein the loyal parents of Christ II Era must set up an example of loyalty.	An era when we prioritize reporting witnessing results to Heavenly Parent with the heart, we had in the early days.

Invite a Guest to Hear an Introduction to the Movement! Next Sunday July 9th

Next Sunday, July 9th, and every Sunday after that, we'll have an inspiring introductory presentation for guests after service at 6PM. So after service finishes, grab your food, and go to the Green Room - the room in the lobby to the left when you come out of the elevators. We'll showcase a short introduction to the Divine Principle, as well as a short explanation of our main, world-wide organizations. It'll only take about 20 mins. We really want guests, off the bat, to realize that we are not just local, and we are not just a church, but rather a world-wide movement! Of course we'll make it warm and cozy so that they can also feel that this could be their local church, their family. So please don't hesitate to invite a friend! Contact Robert Abendroth for questions or to let him know you want to bring a guest.

~ Pictures from the Field ~

On Saturday 6/17, we had incredibly deep discussions during the One-Day Divine Principle workshop. After Rev. Schauffler's powerful and clear lectures, participants opened up about the deep pain in their lives but also the hope they have moving forward after receiving the content.
