*Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.*

## DMV Witnessers Newsletter

### ~ Today's Witnessing HDH ~

“This movement will continue to flourish even after I transition to the spirit world. However, the importance lies when I am here. Why, you may ask? Because it is the time when our Heavenly Parent is with us. It is the golden age of Heavenly Parent's presence. It is while I am alive, while I walk this earthly plane. Do you grasp the significance?”

- True Mother, from 6/10/23 HJ Global News
