*Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.*

## DMV Witnessers Newsletter

### ~ This Week's Witnessing HDH ~

“You Must Enhance Your Spiritual Sensitivity. If you have a yearning heart for someone, then even if there is a barrier placed between the two of you, you can somehow go over that barrier. Even if you are keeping silent, such a miracle will take place. The spirit world will fill in the gap. When I was in the Heungnam prison, I did not witness through my words. I witnessed without words. The spirit world mobilized itself and provided assistance. This is because it would have been a disaster if they did not help.”
