Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.

DMV Witnessers Newsletter

~ This Week's Witnessing HDH ~

“You will receive inspiration about what to say to the guest you are witnessing to. You should love the guest more than your family. Father has prayed for seventeen straight hours in one day. Life or death prayer. It is a battle, a war. If you make absolute determination through prayer, then afterwards prayer is no longer needed.”
- True Father 2001

Hello Capital Family Church Witnesses,

Due to some confusion with the last system we were using for guest reports, we decided to simply use this Google Form. All questions are self explanatory and do not need any specific direction.

****If you've already filled out the previous version of the form, you do not need to fill out this form****

Here is the purpose of reporting about your guests:

1. Spiritual
2. Practical
3. Clergy

Thank you for your hard work!
God Bless you
