Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.

DMV Witnessers Newsletter

~ This Week's Witnessing HDH ~

"Invest yourself like a mother. Make conditions. Choose your words, what to say to people. You have to taste witnessing. Study. Research like a doctor. Prepare what people need. If you continue to make conditions, the spirit world will teach you. Until the spirit world teaches you, make conditions, pray and act. Visit your contacts. You will receive help from peoples' ancestors."

Use this form only once per guest. After using this form, please use the Follow Up Form for each additional update you have for the guest.

Hello Capital Family Church Witnesses,

Due to some confusion with the last system we were using for guest reports, we decided to simply use this Google Form. All questions are self explanatory and do not need any specific direction.

If you've already filled out the previous version of the form, you do not need to fill out this form

Here is the purpose of reporting about your guests:

1. Spiritual
2. Practical
3. Clerical
4. Record Keeping

Thank you for your hard work!
God Bless you
