

HPHC DMV Witnessers Newsletter: Essence of Divine Principle Workshop Sat.

Robert Abendroth

Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.

DMV Witnessers Newsletter

~ This Week's Witnessing HDH ~

"Invest yourself like a mother. Make conditions. Choose your words, what to say to people. You have to taste witnessing. Study. Research like a doctor. Prepare what people need. If you continue to make conditions, the spirit world will teach you. Until the spirit world teaches you, make conditions, pray and act. Visit your contacts. You will receive help from peoples' ancestors."

Last week C.A.R.P. held a Gratitude Project on the Montgomery College Campus in Rockville. It consisted of three days of tabling in the middle of campus. Students would come and write down a point of gratitude or do a gratitude challenge. Over the course of the three days, C.A.R.P. impacted over 300 students bringing positivity and joy to the whole campus!

Hello Capital Family Church Witnesses,

Due to some confusion with the last system we were using for guest reports, we decided to simply use this Google Form. All questions are self explanatory and do not need any specific direction.

If you've already filled out the previous version of the form, you do not need to fill out this form

Here is the purpose of reporting about your guests:

1. Spiritual
2. Practical
3. Clerical
4. Record

Thank you for your hard work!
God Bless you
