Hello Capital Family Church Witnessers,

Due to some confusion with the last system we were using for guest reports, we decided to simply use this Google Form. All questions are self explanatory and do not need any specific direction.

If you've already filled out the previous version of the form, you do not need to fill out this form

Here is the purpose of reports on about your guests:

1. Spiritual
2. Practical
3. Clergy
4. Records

Thank you for your hard work!
God Bless you
