Good morning brothers and sisters,

Tonight, there will be a Memorial Service for our beloved brother Col Han.

As a former resident of Irvington and one of True Father's translators, I am sure many of our Belvedere members have a special connection with him. He is one of the 36 Blessed couples and a former president of Il Hwa and Ginseng Up. He passed away in Korea this past May 10th.

The Memorial Service will start at 7PM at Belvedere Training Center tonight.

Let us show our love and support for our beloved brother Col. Han and his family.

Thank you.

Sincerely,

Dr. Kone
