August 14, 2016

Indianapolis Family Church held its first Special Grace Ceremony on Sunday August 14, 2016 at 1:00 p.m. The event was well-attended with 62 attendees from among the first, second, and third generations of Unificationists. Dr. David Carlson served as the emcee and guided the Ceremony in an admirable fashion. Jack and Kyoko Harford were the officiating couple.

There was a general feeling of seriousness among the participants as the ceremony progressed as well as a general sense of gratitude to our Heavenly Parent and True Parents. As the head usher Sachiyo Hashimoto guided the families one by one to the altar to offer their Resolution Forms, each family humbly bowed to True Parents and placed their form into the Grace Resolution box.

Attendants Jong Sun Mouton and Yoshiko Iwamoto distributed the Holy Wine to each family as Pastor Jack shared the instructions on the process of receiving the Special Grace through this precious celebration. Norikuni Nishikawa did an excellent job as the audio/visual technician and helped the program to progress smoothly. Myung Bin Mouton led all of us in three rousing cheers of

Eog Mansei to conclude the program. Refreshments were served afterward and several participants stayed to witness the burning of the Resolution Forms.

One second-generation Unificationist commented that the concept of grace was not one that was emphasized as she was growing up but that she was trying to learn more about it and appreciated this opportunity.
