HSA-UWC USA is preparing a performance for the 2nd Anniversary of True Father's Seonghwa (Ascension) Ceremony on August 12, 2014 in Korea.

We are seeking 10 well-trained dancers within Unificationist communities across the United States who are proficient in any style of dance—Ballet, Modern, Jazz, Hip Hop, Rock, etc., and who need little to no training.

Dancers who are selected will need to be available to be in Chung Pyung, Korea from August 6th to 15th, with rehearsals beginning on the 7th and the performance taking place on the 12th. Sightseeing on August 14th - 15th is also a possibility. All performers need to have a valid Passport. If selected, your transportation and accommodation expenses will be covered.

If you are interested in participating, please send a YouTube/Vimeo video of your abilities to Luke Higuchi by Saturday, June 17th. Please include in your email a short introduction of yourself as well as your full contact information.

Performance will be in collaboration with Music Band, Lead Singers and Choir.
