

66 Couples Receive Ukraine Coffee Shop Blessing

Mykhailo Ilin - January 13, 2019

Ukraine Assistant National Leader Anna Kalmatskaya and her husband, Anatoliy Kikin, gave the Blessing to 66 couples in a coffee shop on January 13.

The couple spent the whole day in the Paradise coffee shop in the Kiev region village of Troeshchina.

Several weeks earlier, they had organized a few small Japanese-style events to promote this event, and they invited everyone to come to this New Year special family renewal festival.

Throughout the day, people stopped by the coffee shop. After being given an explanation about the ceremony, they received Holy Wine and a congratulatory prayer.

The coffee shop also gave free tea and a gift to the couples who are their regular customers.
