Dear Tribal Messiahs,

There's a lot going on this Memorial Day weekend, but the District Level Divine Principle workshop for Saturday, tomorrow at the Washington Times, *is still going on, full speed ahead, better than ever.*

You'll find its DP Part 2 the second half of the Principle. Restoration, Parallels and Second Coming. Coincidentally taught by an all Maryland lecturing crew this week.

Bring your guests, bring your family or spouse, come as you are.
See you there. RSVP if possible, helps us plan. Have a great weekend!

Cheers,

Pastor Team
