Yumm!

Church Services will no longer be held at New Hope Academy in Landover Hills and will instead be held every Sunday at our new home in Melford in Bowie. (This is the exact same building as the existing Melford facility, just down all the way at the end, on the corner, closest to Rt 50)

Hopefully we'll come up with a couple of parking attendants who may be able to assist with the new parking layout. As much as possible we hope folks can park around the back side and walk to the corner entrance location. And we look forward to seeing you in our exciting new location !
